Press Release

Re: Report Card Collection

July 6th, 2022

Further to the Ministry of Education and Technical and Vocational Training's (MOETVT) Press Statement released on June 22, 2022, noting a delay in report card distribution, the Ministry is pleased to announce that National Report Card Day will take place tomorrow, Thursday, July 7, 2022 between the hours of 9 a.m. to 3 p.m.

To ensure a smooth distribution of report cards, parents are advised to contact their child's school to obtain specific details on the process. Parents should consult the social media options made available by their child's school to confirm whether the school will distribute report cards in-person or digitally.

The MOETVT remains committed to ensuring that parents are aware of their children's academic progress. Should parents have any concerns regarding the child's report card, they may follow up with their child's school.

Again, the Ministry apologizes to students, parents and all relevant stakeholders for any inconvenience caused by the report card delay.
