## GARVIN TYNES CELEBRATES MAJORITY RULE DAY

On Tuesday, January 9, 2024, the students of Garvin Tynes Primary School gathered to honor Majority Rule Day. Led by fifth-grade students, the assembly provided an opportunity for the school community to reflect on the events leading up to the Progressive Liberal Party's (PLP) victory at the polls on January 10, 1967, which brought about Majority Rule. The students discussed the Burma Road Riot and other pivotal moments in Bahamian history.

The keynote speaker at the assembly was Dr. Ruby Ann Cooper-Darling, Deputy to the Governor General. She emphasized to the students that the freedoms and rights enjoyed today in The Bahamas were not always guaranteed before Majority Rule. Dr. Cooper-Darling shared that she was the first woman in The Bahamas to register to vote in a general election, inspiring the students to appreciate the importance of their own rights and responsibilities as citizens of The Bahamas.
